GPL/REQ 1641-AA

Gentlemen:

We are submitting herewith Revisions No. 1 to Exhibits A, B, C, and D under Items 6, 8, 5, and 7 respectively of subject contract.

These Revisions provide prices for the items which were unpriced and reflect the changes effected to the spare parts shipped under the contract.

The effect on price as a result of incorporating these Revisions is as follows:

Item 5	Net Decrease	\$ 8.32
" 6	" "	11.58
" 7	" "	668.45
" 8	" "	<u>1118.66</u>
Total Net Decrease of Revisions		\$1807.01

It should be noted that Revisions 1 to Exhibit D Item 7 and Exhibit B Item 8 incorporate the changes effected by Amendment No. 1 to subject contract. The prices quoted for these sub-items however are lower than those stated in said Amendment and the result is that incorporation of the above Revisions causes a decrease in contract target price of \$3561.07.

In addition, we are forwarding two (2) copies each of corrected Shipping Orders 15846 and 15847. *See 16729*

As a result of the above Revisions, the contract and all shipping documents will be in agreement.
